WHY PERRY?

Coach Perry understands it is the coach's responsibility to establish a solid foundation for the program. Perry's attributes much of his success to this philosophy and has used it to help turnaround programs he has encountered. He has used it to establish a championship mindset and culture. The core values that Coach Perry incorporates into his basketball programs are excellence, integrity, teamwork, opportunity, commitment and discipline. Coach Scott Sutton said "he does a tremendous job recruiting and with player-coach relationships. He does an even better job coaching on the floor. Coach Perry is well-organized and works well under pressure. His positive attitude and uplifting energy brings out the best in both the players and coaches he works with on a daily basis.
